

TIME SAVING

Estimated saving of 12 hours / week per resource

IMPROVED COLLECTIONS

Timely collections and elimination of lost revenue

SCALABILITY

Provides bandwidth to deliver more and also to expand service offerings

PRODUCTIVITY

Resources end up being more productive & happier overall

'happier clients & more profitable'

"With Qount, I am now to able to have a clean, concise, easy workflow to manage my entire practice. I think my clients are happier with me being able to connect with them better and I am very happy with a streamlined billing & collections. Qount had a defined process and team for implementation, with scheduled meetings and deliverables. I really think this process and software will make my firm more profitable! Thank you very much!" – **Golden Tax Relief**

'super-charging out practice'

"Qount has super charged our practice with lesser dependency on people and by providing complete visibility to manage workload & collections. It has supported 60% growth with less than 25% incremental overhead"
